Dermatological test on humans in 2020

Study number: 2003180053

The dermatological test performed by us on your product under the control of dermatological specialists was passed for this product with the rating of

„excellent“

This product did not lead to toxic- irritative intolerance reactions in patch testing carried out in accordance with international guidelines. The preparation can therefore be declared as dermatologically tested.

Dr. med. Gerrit Schlippe
Investigating specialist
for dermatology, venereology
